

JOB DESCRIPTION

We search for a kindergarten teacher with university degree, love for children, team spirit and interest in evolution to undertake a class of preschool age children. We offer a pleasant working environment, chances for evolution and satisfying salary.

We are the first Montessori nursery school in Crete and we are interested in developing children and giving them the appropriate supplies for their life. We follow Montessori education:

- ✓ we behave to the children with a special way in order to ensure their psychic health
- ✓ we use Montessori material for children's mental development.

Kindergarten teachers who cooperate with us continuously evolve as professionals and as humans. They get valuable experiences and personal satisfaction from their achievements and from the results that they see in children's development. In the "Children's world" we implement an innovative educational system which continuously refreshes teachers' and children's interest. We create a pleasant working environment based on team spirit, creativity and interest in children's development.

Kindergarten teacher must have:

- ✓ politeness, kindness,
- ✓ creativity,
- ✓ abilities of communication and cooperation,
- ✓ perception amplitude,
- ✓ enthusiasm, loyalty,
- ✓ persistence and patience.

Additional qualifications that will be appreciated:

- ✓ knowledge of theatrical play,
- ✓ music,
- ✓ art (painting, crafts, clay),
- ✓ ability of writing and reading fairy tales,
- ✓ knowledge of technology and
- ✓ foreign language (e.g. English).
